The Golden Light

BEGGING IS NOT WORSHIP

Follow these step-by-step illustrations to learn and to teach your children the correct Way of Ablution and Worship, which God revealed nowhere else than in His Holy Quran. By using nothing except the Verses of the unchanged Quran, God's pure Word, this Booklet purifies our most sacred Deed from the blasphemous falsehoods which have been accumulating over thousands of years, such as calling someone else with God, which is practiced by sunnites, shiites, sufis and Christians today, which is essentially not different from polytheism and which is the only thing "Allah does not forgive" -Surah An-Nisa, The Women 48. Someone who submits to God, a "Muslim", does not pray by man-made instructions, she or he prays exclusively with our Lord's true Instructions, Glory to Him, the Exalted One. While sunnites, shiites and sufis deny that these exist and use the fake sayings of Prophet Muhammad to learn Worshipping, this Booklet either proves that they are lying or that they do not read Allah's Book at all.

Since no one except God authored the Great "Quran", which is Arabic for "Recitation", beware that reading His blessed Word is a strict Ritual, thus no one else than "the cleansed ones" are allowed to touch it, be it an eBook or a paperback Version -Surah Al Waqiyah, The Event 79. This simply means that you will need to wash your face, arms and feet if you want to open the Holy Book to memorize a Verse in order to pray the Way God wants you to pray.

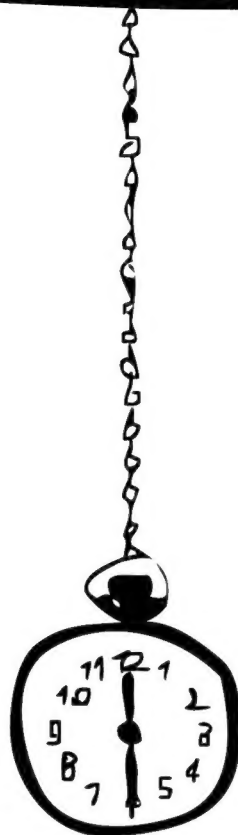

Sincerely, Dr Okay Altinisik

their shadows in the mornings and
in the afternoons.

Surah Ar-Rad - The Thunder 15

the earth, and at night and when
you are at noon.

Surah Ar-Rum - The Romans 17-18

O you who believe!
When you stand up
for prayer ...

... wash
your
faces ...

... and your
hands till
the elbows
and wipe
your heads ...

and wash your feet till the ankles. And if you are in a state of ceremonial impurity, purify yourselves. If you are ill or on a journey or one of you has come from the restroom or you have had contact with women and you do not find water, though, then wipe your faces and your hands with clean earth. Allah does not intend to make any difficulty for you, yet He intends to purify you and complete His Favor upon you, so that you may be grateful.

indeed, We see the turning of your face, towards the heaven. Surely We will turn you to a direction of prayer that pleases you. So turn your face towards the direction of Al-Masjid Al-Haraam. And wherever you are, turn your faces towards its direction. And indeed, those who were given the Book know well that it is the Truth from their Lord. And Allah is not unaware of what they do..

Surah Al Baqarah - The Cow 144

...

call Allah or call the Most Gracious. By whatever Name you call, to Him belong the Most Beautiful Names. And do not be loud in your prayers and not be silent therein, yet seek a moderate way ...

recite what is easy of the Quran. He knows
that some among you will be sick and
others traveling in the land seeking the
Bounty of Allah and others fighting in the
Way of Allah. So recite what is easy from
it and establish the prayer and give alms
and loan to Allah, a goodly loan. And
whatever good you send forth for yourselves,
you will find it with Allah, it will be better
and greater in reward. And seek Forgiveness
of Allah. Indeed, Allah is Oft-Forgiving, Most
Merciful.

...

And when you travel in the earth, there is no blame upon you when you shorten the prayer if you fear that those who disbelieve may harm you. Indeed, the disbelievers are your open enemies.

...

in prayer, let a group of them stand with you and let them take their arms. Then, when they have prostrated, let them be behind you and let the other group come forward which has not yet prayed and let them pray with you, taking their precautions ...

...

remember Allah standing, sitting and lying on your sides. And when you are secure, then re-establish the prayer.

Surah An-Nisa - The Women 101-103

O you who believe! When the call is made for the prayer on Friday, then hasten to the Remembrance of Allah and leave the business. That is better for you, if you only knew. Then when the prayer has concluded, disperse in the land and seek from the Bounty of Allah, and remember Allah much so that you may be successful.

Surah Al Jumuah - The Friday 9-10
